NOTES FOR THE APPLICANT

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse Listed Building Consent for the proposed works, or to grant consent subject to conditions, he may, by notice served within **six months** of receipt of this notice, appeal to the Secretary of State for the Environment in accordance with Section 20 of the Planning (Listed Buildings & Buildings in Conservation Areas) Act 1990. The Secretary of State has power to allow a longer period for the giving of a notice of appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the Local Planning Authority in regard to the proposed works are in progress.

2. If Listed Building Consent is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any works which have been or would be permitted, he may serve on the council of the district in which the land is situated a listed building purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Section 32 of the Planning (Listed Buildings & Buildings in Conservation Areas) Act 1990.
3. In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 27 of the Planning (Listed Buildings and Buildings in Conservation Areas) Act 1990.

Demolition cases only:

4. If the consent is granted, the consent is not valid unless **one month's notice** has been given to English Heritage, and English Heritage has been given access to make a record before work begins. (See separate form of notice Dem-LB which can be obtained from the Borough Council).
