Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Currently I object. As theres been no contact or conversation. I would like to know what it will look like. How it will effect my property positively or negatively. How will it effect the nature light in my garden because 6 meters deep is massive. I won't object to one being built as long as my concerns are considered and we talk and kept informed.

Kind regards
