To: **Mr Julian Duffield
C/O Mr Richard Caine, TBT Design Service
97 Primrose Drive

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **GRANTED PERMISSION** for development of land situate at:

**Oakdene
Leafy Lane
Meopham
Gravesend
Kent
DA13 0DR**

and being **conversion of existing stable to self-contained annexe with erection of a side extension and erection of dutch barn roof and dormer**. Your application dated 26th June 2024 is permitted subject to the following:-

1. The development to which this permission relates must be begun not later than the expiration of three years beginning with the date on which this permission is granted.

Reason: In pursuance of Section 91 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out only in precise accordance with the following schedule of approved plans and details, unless alternative details are approved pursuant to the conditions imposed on this decision notice:

Application form
Site Location Plan
Drawing no. 2137 rev A (block plan existing and proposed)
Drawing no. 2137 rev B (elevations and plans)
Drawing no. 2137 (garage elevations and plans).

Reason: For the avoidance of any doubt and in the interest of proper planning.

3. All materials used externally shall match those listed in the submitted planning application form and drawing no. 2137 rev B.

Reason: To ensure the appearance of the development is satisfactory and without prejudice to conditions of visual amenity in the locality, in accordance with Policy CS19 of the Gravesham Local Core Strategy 2014

4. The works to partially demolish the double garage shall be undertaken and completed within three months of the substantial completion of the annexe herein approved.

Reason: To ensure the development does not result in an unacceptable impact on the openness of the Green Belt in accordance with Policy CS02 of the Gravesham Core Strategy 2014 and Section 13 of the National Planning Policy Framework 2023.

5. The detached outbuilding hereby permitted as an annexe/ancillary living accommodation shall only be occupied by persons related to a resident of the main dwellinghouse at any time, and in a manner in conjunction with the original dwellinghouse at Oakdene, Leafy Lane, as a (combined) single planning unit and shall not be used, let or sold at any time as a self-contained, separate unit of living accommodation.

Reason: To safeguard against subdivision of the existing single residential dwelling that would facilitate independent occupation of the extension, as a separate unit of accommodation would be inappropriate on this site, in accordance with Policies CS02 and CS19 of the Gravesham Local Plan Core Strategy 2014.

INFORMATIVES:-

1 DEVIATION FROM APPROVED PLANS

It is possible that any proposed deviation from the approved plans could be classed as a 'material' change requiring a further application/permission. In the event that any change is proposed, applicants are advised to seek advice from the Local Planning Authority [as proceeding without the necessary permissions could nullify this permission].

2 BUILDING REGULATIONS AND PARTY WALL ACT

This decision DOES NOT imply any consent which may be required under the Building Regulations or under any other enactment or provision. Nor does it override any private rights which any person may have relating to the land affected by this decision, including the provisions of the Party Wall etc. Act 1996.

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **For further information regarding Appeals and to make an application please click the relevant link:**
<https://www.gov.uk/appeal-householder-planning-decision>
<https://www.gov.uk/appeal-planning-decision>
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

***Householder applications**

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- (b) an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- (i) an application for change of use;
- (ii) an application to change the number of dwellings in a building.

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
