Reasons for comment:	
Comments:	I strongly oppose this application. The applicants have not been honest throughout their building works and I have seen people coming and going through the night into the garage annex when I have stayed over at number [REDACTED] Cambria Crescent. I believe that if this application is allowed that they will at some point put people in the building. It is set up as a mini-house. They already have a shower and kitchen in the garage annex so I do not know why they would need more at the bottom of a garden?

Kind regards
