Reasons for comment:	
Comments:	Meopham is a small village. Kids already struggle for places at the local schools both primary and secondary. It is also already very busy at the local Doctors. The village doesn't have the facilities for all of the proposed housing currently being looked at. A development there would surround the local primary school, nursery and special needs school taking away the view the children currently have of open fields and country side affecting their wellbeing. The road is also an issue. Currently the road is very busy with lots of cars parked on the side of the road and driving in excess of the speed limit. Building here would just add to traffic issues and would lead to more traffic passing by the primary school etc. Meopham is currently a beautiful village and it is in danger of being turned into a town.

Kind regards
