Reasons for comment:	
Comments:	<p>Hello,</p> <p>I am a nearby resident who has lived in this area all of my life. I travel around this area on a daily basis and I live just off it. I have seen as this road and the junction onto the A227 get busier and more difficult, also accidentally occurring. Access from the A227 onto the Longfield road is difficult. It's narrow and it is very congested at certain times. The Longfield road is also difficult to access from The New Barn Road at certain times.</p> <p>Basically this development will continue to overcrowd the area and roads further. Instead of a rural area it will become a huge housing estate.</p>

Kind regards
