Reasons for comment:

Comments:	<p>We are objecting to the application made at 19,The Fairway from a family dwelling to a Children's Care Home.We strongly feel that this is not suitable for our road as it has many elderly residents and families of small/young children. We feel this would impact the street with extra noise day and night. We already have St George's School pupils parking in our road plus parents dropping and picking up their children, often blocking our driveways and access to properties, therefore our concerns for 8 members of staff who are likely to have vehicles will cause even more problems with the already limited parking and busy through road that is used by emergency services.</p> <p>We also understand that according to the deeds of the properties in this road they can not be used for any other purpose than as private dwellings with this application for a care home (business) we believe this is in breach of said deeds.</p> <p>[REDACTED]</p>
