Reasons for comment:	
Comments:	I would like to put my point across. I have looked on the local websites for traveller sites in the local gravesham area and clearly you have not provided enough sites in the area for travellers and Romany gypsies. I think this would have a big impact on the travellers and Romany gypsies And clearly bought their own property because there is no pitches in the local area cant be provided by the local council and they still get tarnished for moving onto their own property and clearly all they are trying to do is to make a home for them and their family.

Kind regards
