Reasons for comment:

Comments:	Dear Ms Fisher, Planning ref 20240661 I feel that I need to write and make my voice known regarding the Higham dog walking field. The current restrictions on XL Bully breeds means I do not have anywhere to walk or exercise my family dog without a lead or muzzle. The ban has created an atmosphere of fear around a loving dog which has led to an uncomfortable walk with Billy the bully. The field gives us a safe, quiet and pleasant area of beauty that cannot be found anywhere else around Higham which ensures my dog has the appropriate amount of exercise and fun. The owners have kept natural grass and allowed hedges and plants to grow giving it a natural feel and it's enriching for my dog. The owners are responsible land owners and ensure the field is fit for purpose every day. I would appreciate if the field was able to continue, as I feel it is great for the community and surrounding areas alike and it would personally be a great loss to myself and my handsome XL Bully, Billy. Yours sincerely
