Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this development on a number of points. The land is prime agricultural land needed for food production. Environmental damage of loss of habitat for wildlife. Existing services cannot cope with additional housing: roads, schools, doctors services, hospital services water and waste services are all at full capacity and cannot support additional use.

Kind regards
