Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to this development on a number of points.</p> <p>The land is prime agricultural land needed for food production.</p> <p>Environmental damage of loss of habitat for wildlife.</p> <p>Existing services cannot cope with additional housing: roads, schools, doctors services, hospital services water and waste services are all at full capacity and cannot support additional use.</p>

Kind regards
