Reasons for comment:

Comments:	<p>Oppose due:</p> <p>Particular danger to pedestrians as area already seriously congested in school area.</p> <p>Like application 20251116 access is at the boundary of national / 50mph speed limit and promotes liklihood of high speed rtc.</p> <p>Loss of green, calm environment important to SEN school.</p> <p>Loss farm land</p> <p>Loss wildlife habitat</p> <p>Roads not able to cope with construction vehicles and then envisaged private cars from new developments.</p> <p>Vollage does not have facilities gor envisaged additional 2-3000 people.</p> <p>This is wholly disproportionate.</p> <p>Development should be in local towns with appropriate employment, transport and social services.</p>
