Reasons for comment:	
Comments:	<p>The A227 and Norwood Lane are already overcrowded and used as cut through. Increased housing in the area will only cause further traffic problems and road damage.</p> <p>Two children's play areas are adjacent to the land [Camer Park and Judson's) - more traffic will only increase the dangers travelling to them.</p> <p>Turning from Norwood Lane onto Green Lane is blind - more traffic will increase the dangers there on this rural lane.</p> <p>This land is high grade farmland which contributes to our food production. We need to guard this in order to decrease food imports.</p> <p>Meopham cannot cope with an increased population - it will put a huge strain on NHS and public services as well as parking for example at Camer Parade, already an accident black spot.</p>

Kind regards
