Reasons for comment:

Comments:	<p>The roads in Meopham are already dangerously overloaded as used as cut throughs by many - this will only increase with the Lower Thames Crossing. In particular the junction from The Street to the A227 and the Camer Parade are already accident black spots.</p> <p>This is a large farmland used for our food production, something we should be maintaining in order to decrease food imports.</p> <p>Increased housing/traffic near primary and nursery schools and the 2 children's parks (Camer and Judson's) lacks regard to our children's safety. This should never be allowed!</p> <p>Meopham services are already overstretched and will not cope with increased population - this is totally unfair for existing residents.</p>
