Reasons for comment:

Comments:

I object to the proposed development of a new McDonald's in the vicinity of Woodlands Park, Gravesend.

Woodlands Park is one of the few remaining green and attractive public spaces in Gravesend, providing an important area for recreation, relaxation, and community wellbeing. The introduction of a large fast-food outlet in such close proximity would significantly undermine the character and environmental quality of this valued space.

In addition, Gravesend already has an existing McDonald's, why do we need another. The proposal raises several concerns, including increased traffic congestion, noise, litter, and anti-social behaviour, all of which would negatively impact both the park and the surrounding residential area.

The potential loss of amenity and the detrimental effect on a well-used public space outweigh any perceived benefits of this development. Protecting green spaces such as Woodlands Park should be a priority, particularly in areas where they are limited.

For these reasons, I strongly urge the council to refuse this application.

Kind regards
