Reasons for comment:	
Comments:	I strongly object to this proposal on several grounds. Its proximity to several schools and a children's playground are in direct contravention to government healthy eating and wellbeing initiatives for children. The facility would lead to a further increase in an already problematic environmental situation regarding litter and would increase the cost for the council to control. The increase in traffic associated with accessing the outlet would make an already busy road seriously congested, with a concomitant worsening of air quality in a heavily family orientated residential area. There is an easily accessible McDonald's in Gravesend within a reasonable distance so this would be a totally unmerited expansion of a damaging irresponsible company. I visit Wrotham Road several times a week to share in child care for my granddaughter and am alarmed at the prospect of this expansion of an unhealthy rapacious company into a pleasant residential area.

Kind regards
