Reasons for comment:	
Comments:	The site is Grade 2 Agricultural land that can grow arable crops. We need Food Security which is a threat to our nation. We need to prevent urban Spawl, we need to keep land open. Sole Street and Hook Green will be swallowed up. The council need to review the collective amount of proposed houses in Meopham. We need to protect our Countryside, habitats and the ancient ecosystems. Protected wildlife will be killed or without habitats. Traffic - an increase of 1500 cars, the amount of additional pollution, light pollution and noise pollution will impact severely. Flood mitigation - this is a major issue for Norwood Lane and Wrotham Road. There is not a need or requirement for the proposed build of 725 houses. There is no infrastructure, roads are country lanes, the surrounding bridges have not the sufficient weight bearing - no Doctors, no schools, or appropriate railway station and no roads.

Kind regards
