Reasons for comment:	
Comments:	This appears to be an attempt to build on green belt land in an area of natural beauty. The initial granting will if permission is given undoubtedly be followed by further applications as this commercial company seeks to expand. This has been the case with other commercial companies who apply to infringe on the green belt. e.g Meopham Vets. The green belt is precious and needs protection. Urbanisation will follow and is in contravention of Gravesham planning aims.

Kind regards
