Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this planning application, as at present there appears to be no infrastructure whereby we at present struggle to get doctors appointments, as for dentists we're if we can find one to take NHS patients. The 227 Wrotham road is a nightmare at rush hour and school times, so with the additional works traffic it will be even worst what with the additional residents. The disruption these works will cause during the time the building works will take will make life difficult for present residents.

Kind regards
