Reasons for comment:

Comments:	<p>My objections to this development are as follows:</p> <ul style="list-style-type: none">- The use of Greenbelt land for building these houses-The increase in traffic and congestion on the A227 if this development goes ahead- The heavy duty traffic during building- The village cannot accommodate these additional houses, the infrastructure is not in place to support this (schools/ healthcare) etc- Environmental impact that will have. The area has protected species and the increase in air pollution with the increase in the number of cars. The area is also next to ancient woodland.--
