Reasons for comment:	
Comments:	Objection on this application, the congestion through Wrotham road A227 is bad at the best of times, with Culverstone primary and Meopham secondary school near to this development at certain hours they have large queues and this is going to cause even more congestion, When trying to get a Dr's appointment for my 1 yr old daughter a few weeks ago I get told they have no spaces available so another couple of hundred people are going to make this issue even worse!

Kind regards
