Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this application on the basis that it will have a massive negative impact on the existing infrastructure as well as the schools, GP services and public services. I have lived approx 200 yards from the site for over 30 years and the GP and local school cannot handle the existing population. It is impossible to get an appointment at the Drs and the main road is a nightmare particularly at school times when the roads cannot sustain the current levels of traffic

Kind regards
