Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to this application. The A227 is at a standstill most days, and cannot cope with a further 100 households adding to the problem. There is no scope to widen the road either, which winds through multiple small villages.</p> <p>The whole of the A2 corridor at this point is also heavily over used, polluting the surrounding area.</p> <p>There are also not enough facilities for more development.</p>

Kind regards
