I have the following comments on planning application number 20260207 :

Having lived in the village for 57 years, we are totally aware that changes happen. This is all part of life! We understand that peace & tranquillity doesn't go on for ever & are willing to face the future, whatever is left for us! However, the A227 has become more & more busy, with coaches, lorries & general traffic daily. Perhaps SATNAVs are sending vehicles through our village from various motorways, so causing a busy corridor & hence passing several schools en-route?

Also, despite the improvements alongside the parade, the 2 coffee cafes have caused chaos for local shoppers, one dreads to think how this area will cope when the new dwellings are in-situ! Presumably, every resident has mentioned the mayhem of parking there now? The

holes, and the road, at the end of our close, floods
whenever there's a shower!

Since we came to live here, many property owners
have chosen to concrete over their front lawns ^{in order} to make
room for their cars, vans etc. In our opinion, a sad sight
especially with their waste bins, in the same space. There
used to be a rule for this mal-practice, but rules are often
broken! We have used the station frequently of late & in-
spite of there being 12 carriages on the train, it is often
packed when reaching Meopham. To conclude: Our 'green
& pleasant land' will be no longer. Green belt once meant green
