I have the following comments on planning application number 20260207 :

I object to the proposed development.

Firstly there are insufficient doctors, nurses and teachers for an increased population. They are already stretched.

Drainage for the new houses would be a big problem.

I didn't think the area proposed was deemed not Green belt.

Traffic can be very congested already on the A227.

The views from Carrer park will be spoiled.
