I have the following comments on planning application number 20260207 :

1. My biggest concern is the impact on local road and services such as schools and doctors - there are already under strain, and will not support so many more cars and people wanting to use them i.e. 'infrastructure'.
2. Our bus service is inadequate - so there will be 1/2 more cars per new home - local traffic is going to get a lot worse
- 3 We ought to protect agricultural land for our children's future - we need to keep farmland in the UK. Is the land not green belt?
