I have the following comments on planning application number 20260207 :

- 1 strongly object to the planning application 20260207
- 1 The site is GREEN BELT LAND !
2. It would lead to a continuous urban sprawl joining currently separated small rural villages.
3. Infrastructure cannot cope
4. Traffic is overwhelming at present and will only get worse with development and lower Thames Crossing which is likely to double traffic through Meopham -
5. Drainage and sewage is inadequate, flooding is frequent - Waterditch isn't called that for nothing !
6. Lane too narrow at A227 end -

I have the following comments on planning application number 20260207 continued:

congestion all the time with cars
mounting pavements.

Site would be unhelpful situation for
people to work. Stations have no lifts
or disabled facilities. Car would be
needed to access shops etc. Fares to
London are too much for new house
buyers to afford.

high pollution & noise pollution will
affect the tranquil nature of the site
which is essential to the mental health
& well being of the local residents &
visitors.
