I have the following comments on planning application number 20260207 :

The proposed site is on Greenbelt. This development would put wild life at risk and destroy ecosystems. The proposed buildings are too big, the extra amount of cars would cause large amounts of pollution and cause traffic jams. Parking at Meopham station is already at capacity. Local infrastructure could not cope. The GP surgeries at Istead Rise and Meopham Medical Centre are already stretched and the Head of Meopham Centre has made this perfectly clear to the Council. There can be no denying that this is urban sprawl.
