I have the following comments on planning application number 20260207 :

I have lived in Meopham for many years & enjoyed the peace & quiet of this historical village & its abundance of wildlife. With this proposed planning, we will no longer be able to call ourselves a village but a town that will be linked with Sole Street by a concrete jungle & both losing their identity. This site is Greenbelt which has a significant amount of Wildlife, including Pipistrelle Bats which roost & feed there, Skylarks who nest, Tawny Owls, Little Owls, Woodpeckers etc, the list is endless! As for the infrastructure, the roads are busier than ever & each new home will most certainly have two cars. The pollution will be excessive & the roads gridlocked, especially at school times.

Who exactly is going to be living in these houses?

We all live in a home here, no one living on the streets so where is everyone coming from to potentially buy these homes? & could we expect a higher rate of crime.
