I have the following comments on planning application number 20260207 :

Our village is fast becoming a town
Losing its identity. Our green spaces over
recent years fast evaporating. One accepts
housing / flats have to be built for an
expanding population. The issue will always
be their location. But not at the expense
of common greenland ie Norwood Lane of course
additional schooling, but traffic on the A227
already extensive. Social needs medical services
ie drs/dentists. Our existing one could not
cope. Already overloaded. Traffic already extensive.
So careful consideration needs to be given
all round. Each household will be say two adults plus
children. Wish you well as you carefully consider
