I have the following comments on planning application number 20260207 :

The A227 is the only road way through the village it is
not run used by large lorries cutting through from the
A20 to A2 at 50 mph in places. Traffic lights always
in this road causing traffic jams because of the weight
of traffic on the road surface. To cycle through the
village is very dangerous.

More traffic will cause even more air and ~~env~~ environ-
mental pollution also noise pollution.

Doctors surgery over subscribed

Hospitals over subscribed No NHS dentist

Schools over subscribed (secondary)

There is no urgent need for properties in this area - so this
venture is for profit only. There are many empty buildings
in Gravesend that should be brought into the equation
