Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am very concerned about the misuse of this unauthorised, greenbelt plot. The lanes around here are very narrow which pose great difficulty in driving around. Adding more traffic is making the situation even worse. Furthermore, the lanes are not adopted by the council and the residents are responsible for the upkeep which means that they are in a dire state with big potholes. Adding more heavy vehicles is not going to help. This particular area is also prone to flooding during heavy rains which is getting to be the norm these days. Felling all those trees and clearing the scrub on the plot will definitely increase flooding risks. For for these reasons, and I am sure there must be more that the other residents have, I strongly object to this application.

Kind regards
