| Comments:            | <p>Dear Gravesham Borough Council</p> <p>I hope all is well</p> <p>I strongly object to the planning application for change of use. The proposal does not fit with in the local interest as there is a already a very large place of worship nearby that allows all faiths to visit. Secondly the location would not able to accommodate such an increase traffic due its already cramped space. If capacity is an issue, then why consolidate all premises and find a location suitable with ample space. Having 3 separate locations makes no sense when space is already limited with in a quite residential area. I believe the local residents are not aware of this application, if they were, there would be alot more objections submitted</p> |

Kind regards
