Reasons for comment:	
Comments:	This proposal should be approved as the place of worship is really needed in town of Gravesend. Although there is a mosque already in Gravesend. However this mosque gets very busy during Friday prayers and there isn't enough room to accommodate people who want to pray. Having this mosque will really benefit the Muslims within Gravesend and further prove vital for the Gravesend community. There are a lot of people who are in support of this initiative furthermore it goes in line with the Gravesham Borough council policies to facilitate place of worship for the community who are in desperate need of it.

Kind regards
