Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I object to the introduction of a children's home at 41 Harman Avenue, Gravesend for the following reasons:- This neighbourhood is a long established residential area, home to young families and older couples, and is valued for its quiet and stable character. The introduction of a children's home has the potential to increase noise and general disturbance beyond what is normally expected in such a settled community. Residents are also concerned about the possible impact on local property values and the overall character of the area. In addition, there is a risk that increased activity could lead to groups of young people gathering in the surrounding streets, which may contribute to anti social behaviour and affect the sense of safety and tranquillity that residents currently enjoy.
