National Highways 26 March 2024

Thank you for your email of 5 March 2024 consulting National Highways on additional information submitted in support of the above referenced application.

We are concerned about the safety, reliability, and operational efficiency of the Strategic Road Network (SRN), in this case the A2 in the vicinity of the site.

We have reviewed the additional information.

On the basis that the additional information does not alter the impact of the proposed development on the SRN, we are content to rely on our **formal response of 10 November 2023 recommending conditions (parking management plan, full Travel Plan, stadium expansion, and construction management plan) be attached to any planning permission that may be granted.**

Should you or any others have any queries regarding our response, please contact us via planningse@nationalhighways.co.uk.
