Hello Sir/Madam,

Thames

Water has no comment on this H4 consultation, based on the following assumptions:

- The land contains no mapped public sewers, nor is it thought there to be any impacted unmapped public sewers
- Building works are not within 3m of a public sewer

Please

advise your client that no further action is required. If during excavation, the client finds an unmapped public sewer, they must cease works immediately and contact Thames Water.

Kind
regards,

**Dhiraj
Singh**
