Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this planning application on the following grounds. This application follows on from two previously rejected applications to enlarge 173 Singlewell Road. The difference being that the applicant in this current application seeks to build an attached dwelling. However, the result will be the same in that the applicant seeks to 'grab' the side garden of the 173 Singlewell Road to create a cramped area around the junction with Dennis Road ruining the openness.

Kind regards
