You should read the notes overleaf

Please note that some works to trees can affect the underlying soil moisture conditions and therefore the stability of any nearby foundations. You are advised to employ the services of a surveyor to ascertain whether your proposed tree works will have a detrimental effect on existing structures.

Notes

1. The Tree Preservation Order makes provision for the payment of compensation in certain circumstances to any person who has suffered loss or damage in consequence of any refusal (including revocation or modification) of consent under the Order or of any grant of any such consent subject to conditions.
