Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I wish to object strongly to this application. This land is green belt land and should not be used as a travellers site or anything else. This site is not in keeping with the local area. There is an environmental issue here. The destruction of mature woodland to get the mobile home was catastrophic and this agricultural land is being damaged by the residents on this site. Where is the sewage and waste going certainly not into main drainage. Water and electricity supplies where are they coming from, apparently through woods across the road without the wood owner's permission. The main issue is also that in 2009 there was a high court injunction banning anyone residing on that land therefore the travellers should be forced to leave immediately and the council should not be entertaining any planning applications, retrospective or appeals or otherwise they just have to enforce the order.
