Reasons for comment:

Comments:	Absolutely I object, we've had Gypsy camps on and off for the past 15 years and everytime they 'move in' the local crime goes up. They chop protected trees down that are hundreds of years old and they have no respect for any of the local residents. We had their horse and traps tied up on the pavements in Meopham then they leave all the horse pop all over the pavement. Personally I think it is about time they went somewhere else, they have already ruined Whitepost lane with their unauthorised pipe work dug through our beautiful rural land. I am disgusted that Gravesham council would even consider this after the amount of extra houses that are being planned for this area. We won't have any green spaces left. It's disgraceful that as residents we don't seem to have any say about anything anymore.
