Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Strongly object - they have decimated areas of local wildlife and have no care for the beauty of the natural environment. If allowed to stay, they will likely cause more damage, disruption and upset amongst the community. They are apathetic towards the damage to white post lane that has been irreparably destroyed- and will likely continue to ruin the beauty and integrity of an area which should be protected by the council.

Kind regards
