Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	This application should be turned down flatly as there hasn't been significant changes to the surrounding lanes since the unsuccessful application in 1990. This means the same, if not greater, risks to the existing road users and wild life. The area formerly known as AONB still enjoys protection from such large scale developments. An increase in noise, light and air pollution is inevitable due to even more Silverhand traffic. Finally, as with the wine factory in Luddesdown, a minimal number of jobs will be created for residents as the new staff will invariably drive into the area.

Kind regards
