The roof tile selection matches that previously approved under the discharge of planning condition 3 ('facing materials') application (ref: 2017:0911) pursuant to planning permission 2016:0966.

KENT PEG – ANTIQUE

Our Kent peg tiles are Britain's best peg tiles, crafted by hand using our rich Wealdon Clay. They offer a much better solution and are more cost effective than using secondhand tiles which can quickly deteriorate once stripped off and re-used.

Nominal size	250 x 150mm
Gauge	95mm
Coverage	70.2 tiles per m2
Weight per 1,000	1,240kg
Weight per pallet	939kg
Quantity per pallet	760
