Reasons for comment:

Comments: I am a DA12 resident and wish to express my support for the planning application at No. 42. The additions made inside the outbuilding-shower, toilet, and kitchenette-are sensible and appropriate for a gym and office space. These are not the features of a self-contained home, and the family has confirmed it will not be used for sleeping accommodation.

[REDACTED] is unjustified. The outbuilding at No. 42 does not cause noise, disturbance, or any issue to the community. The applicant is simply trying to improve their family living situation while remaining fully compliant with the intended use.

I therefore support this application [REDACTED]

Kind regards
