Reasons for comment:

Comments:	I am a resident of the DA12 area and would like to express my support for the planning application submitted for No. 42. The outbuilding has always been intended for use as a home office and gym, and that intended use has not changed. The addition of a small shower, toilet, and kitchenette is entirely reasonable for these activities, especially given the family's ongoing house extension works and their need for temporary facilities. These internal additions do not create a separate dwelling, and the applicants have clearly stated the building will not be used for sleeping accommodation or renting. [REDACTED] which do not accurately reflect the situation at No. 42. The outbuilding remains an ancillary space, causes no negative impact, and is consistent with developments already seen across the DA12 area. I fully support this application.
