Reasons for comment:

Comments: Absolutely outrageous, this a village and will no longer be if you add more houses, this is greenbelt land and shouldn't be built on for houses to become a town...nowhere to park to use local businesses and support them, schools clogged already, A227 too much traffic already, can't get doctors appointments now, as soon as people start using the area to park to use shops and bars, GBC put up bollards and central road divider to stop this...AND you want to bring more people and cars into the area...ludicrous. You need to think again...

Kind regards
