Reasons for comment:

Comments:

I would like to object to this proposal on the grounds of its impact to the safety of the children in the two nearby schools, traffic congestion, environmental issues and drainage - all of which will have a burden on the village of Meopham.

- The area is known to have badger activity and setts. These are legally protected. The simultaneous proposals in this area will have a significant impact on the habitat corridors in this area.
- The local area is already renowned for flooding. This will no doubt worsen with a development of this nature.
- The impact on noise and air pollution for the children in the local schools would be damaging.

Due to these reasons primarily, I request that the proposal is refused.

Kind regards
