Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This inappropriate use of green belt land and will likely lead to further applications to extend the site. If that happens I have no confidence that the council will have the power to remove additional caravans. Given the damage to the trees in whitepost lane done by the applicant it is clear that tge council have no power or appetite to curb the activities of the applicant ans the applicant has demonstrated no respect for the area and its green belt status.

Kind regards
