Something a little special

Decking out a new nursery? Cue these cute homewares and darling decos...

With adjustable nursery cot bed (that can be transformed into a toddler bed) and dresser with three drawers that converts into a changing table, these are your two hero pieces of furniture - and building block for baby's first nursery. Blending function with form, the cane webbing tops the style stakes, and the oval cot bed can also be turned into a day bed or toy station further down the line. ■ £945, Cuckooland

When you want to bring a playroom to life or create their first feature wall, you can count on Mickey Mouse to steal the show. Timeless and tailor-made for playtime, bedtime and reading Disney classics. ■ £75 per roll, Bobbi Beck

Hugs and cuddles... this 2024 dated bewitching bear can't be beaten for its friendly face and enduring appeal. Adorable! ■ £15, the White Company

Made from natural palm leaf, this Moses basket is easy to manoeuvre and means they won't miss out on anything when you're busy yourself. ■ £109, Next

There's lots to love about ambient lighting that does what it says on the box. With its warm neon glow, this one's funky enough for baby and tweenies. ■ £24 (was £59.99), Lights4Fun
